

## Jealous (Blue)

New Kids on the Block

Your smile, oh, your eyes,  
They light up, trouble skies, trouble skies.  
Your face, beautiful ways,  
Just one look and I'm amazed, I'm amazed.  
You came, something changed,  
Now my life ain't the same, ain't the same.

But I'm blue.

And sometimes it feels I've been fractured inside.  
Baby, I'm jealous, jealous.  
Uh, baby, I'm jealous.

No way, there's no way  
I can break through this pain, through this pain.  
I feel so confused  
And my heart feels a fool, feels a fool.

But I'm blue, so blue.

And sometimes it feels I've been fractured inside.  
Baby, I'm jealous, jealous.  
Uh, baby, I'm jealous.

Can't stop thinking of you,  
cause I'm so jealous, baby  
Can't stop feeling so blue,  
sometimes I'm jealous, baby  
Can't stop thinking of you,  
cause I'm so jealous, baby  
She's just so careless, baby.

But I'm blue.

And sometimes it feels I've been fractured inside.  
Baby, I'm jealous.  
Uh, baby, I'm jealous.

And sometimes it feels I've been fractured inside.  
Baby, I'm jealous, jealous.  
Uh, baby, I'm jealous.
