

My Favorite Girl

New Kids on the Block

My favorite girl, oh, she's my favorite girl, don't you know
My favorite girl, oh, she's my favorite girl

You walked into my life, your love was so new
And nothing will ever change my feelings for you
Well, you were so far away, now I am close to you, girl
So let us run away, our heart that's waiting will stay

My favorite girl, oh, she's my favorite girl
Don't you know
My favorite girl, oh, she's my favorite girl

There's so much I like in you, I can't go on
I wanted a girl like you, I've looked so long
Girl, nothing will make us wrong, I know our love is too strong
Let's leave the rest behind, our dreams ask what we will find

My favorite girl, oh, she's my favorite girl
Don't you know
My favorite girl, oh, she's my favorite girl
My favorite girl, oh, she's my favorite girl
Don't you know
My favorite girl, oh, she's my favorite girl

She's my favorite girl, the one I'm always thinking of, that one
My favorite girl, the one I love

Is too strong!

My favorite girl, oh, she's my favorite girl
Don't you know
My favorite girl, oh, she's my favorite girl

My favorite girl, she's my favorite girl!
Your love's so sweet, you make my heart skip a beat
Yeah, yeah, yeah, she's my favorite girl
Yeah,
She's my favourite girl
Hey girl, don't you know
You're the one I need
And girl, I need, I need, I need, I need your love

My favorite girl, oh, she's my favorite girl
Don't you know
My favorite girl, oh, she's my favorite girl
My favorite girl, oh, she's my favorite girl
Don't you know
My favorite girl, oh, she's my favorite girl
