

Thankful

New Kids on the Block

(I am thankful, thankful, thankful)
(I am thankful, thankful, thankful)

I think of you in October when the rain starts to fall
I couldn't fight through the storm so I built up a wall
I was looking for something in all the wrong places
I was searching for love in all the wrong faces

I saw a flicker of light in the darkness
Saw a reflection of me where your heart is

Baby, cause you
You're holding me up, you're holding me up
And I am thankful you
You're more than enough, you're more than enough
And I am thankful
Everything I ever wanted
Never knew until I got it
Because of you
I am thankful (I am thankful)

(I am thankful)

Sometimes the pressure of the city's got me slipping back, ah
But just the thought of you in it helps me stay on track
And when they're all going out, just know I'll be coming home baby
And when there's no one around, I know I'm not alone baby

I saw a flicker of light in the darkness
Saw a reflection of me where your heart is
Oh-ooo-oh

Baby, cause you
You're holding me up (yes she did), you're holding me up
And I am thankful you (and I am thankful)
You're more than enough, you're more than enough
And I am thankful
Everything I ever wanted
Never knew until I got it
Because of you
I am thankful (I am thankful)
Oh, oh, ohohoh

No I don't tell you enough but I'm thankful
You're picture perfect from every angle
Just know wherever I go, Imma take you
I'm so thankful, I'm so thankful...

Baby, cause you (oh yeah)
You're holding me up (uh huh), you're holding me up
And I am thankful (yes she did) you
You're more than enough (oh-ooo-oh hoo-oh), you're more than enough
And I am thankful
Everything I ever wanted
Never knew until I got it (Never knew it baby)
Because of you
I am thankful (I am thankful)

(I am thankful, thankful, thankful)

I'm so thankful...

(I am thankful, thankful, thankful)

(Thankful, thankful)
