

# Twisted

## New Kids on the Block

You wanna feel, I'll let you feel, come over here  
You don't know what love could do to you

You know that cuts, scars, bruises hurt so why you like it  
You like all the screws, ties, twos, who  
But I can do you're telling me, you're telling me you're

A little bit twisted  
Can't feel your heart, you want me to twist it  
A little bit twisted  
Where does it hurt, tell me where to kiss it, kiss it, kiss it?  
Where does it hurt, tell me where to kiss it?

I believe you, I got you ill from all the love  
I'll try not to kill you, get close enough but

You know that cuts, scars, bruises hurt, so why you like it  
You like all the screws, ties, twos, who  
But I can do, you're telling me, you're telling me you're

A little bit twisted  
Can't feel your heart, you want me to twist it  
A little bit twisted  
Where does it hurt, tell me where to kiss it, kiss it, kiss it?  
Where does it hurt, tell me where to kiss it?

You need it more to get you where you are  
I'll push you how you want it  
Just tell me where to put it

You want it harder, need it harder  
Girl it's harder, it's how you like it  
Girl it's been what you been missing  
You need me to come and twist for you

I'll come and twist for you  
I'll even clean it for you  
I'll hurt you if you like it  
And then I'll twist it for you

Twist for you, twist it for you  
Twist for you, twist it for you  
Twist for you, twist it for you  
Twist for you, twist it for you  
Twist for you

A little bit twisted  
Can't feel your heart, you want me to twist it  
A little bit twisted  
Where does it hurt, tell me where to kiss it, kiss it, kiss it?  
Where does it hurt, tell me where to kiss it?

Twist for you, twist it for you  
Twist for you, twist it for you  
Twist for you  
Where does it hurt, tell me where to kiss it?
