

# Whatcha Gonna Do (About It)

New Kids on the Block

Yeah, yeah, yeah, yeah, yeah, yeah, baby  
Girl, you've done me wrong  
Now you're running back to me  
Thought you were my lady  
Girl, you drove me crazy  
Now you want the world to see  
You must think I'm crazy  
Please, don't think I'm blind  
Don't wanna dig your line  
Even though I still love you  
Always thinking of you  
You better believe I got my pride

Sooner or later love is gonna get you  
Sooner or later  
Somehow I knew  
I knew it would get you  
Love was gonna get you

Girl, why you done me like this  
You know I still love you  
Check it out

What'cha gonna do about it  
Girl, what'cha gonna do  
You know you done me wrong  
But I'm still in love with you  
What'cha gonna do about  
I can't get you out of my mind  
Every time I see you  
This happens all the time

Girl, you made me laugh  
Girl, you used to make me cry  
Give me plenty of loving  
Kissing and a hugging  
Thrilling that I can't deny

Sooner or later  
love is gonna get you  
Sooner or later  
Somehow I knew  
I knew it would get you  
Love was gonna get you

Listen, I know you still love me  
I can see it all over your face  
So what's up

What'cha gonna do about it  
Girl, what'cha gonna do  
Even though you've done me wrong  
But I'm still in love with you  
What'cha gonna do about  
I can't get you out of my mind  
Every time I see you  
This happens all the time

What'cha gonna do about it  
Girl, what'cha gonna do  
Even though you've done me wrong  
I'm still in love with you  
What'cha gonna do about it  
Girl, I've got to know  
'Cause I'm still in love with you  
Girl, you are a star  
Make me wanna play my guitar

What'cha gonna do about it  
What'cha gonna do about it
