

# Glorified

New Life Worship

Praise belongs to You  
Let every kingdom bow  
Let every ocean roar  
Let every heart adore You now

Praise belongs to You  
What can I do but sing  
The greatest joy I've found  
Is to lay a crown before my King  
Before my King

I've come to worship  
I've come to lift up Your name  
For You deserve this life laid down  
Like the one that You gave  
I have but one voice One heart and one sacrifice  
So would You take this life laid down  
And be glorified  
Be glorified

Praise belongs to You  
Let songs of children rise  
You silence all Your foes  
You set Your glory in the skies  
Praise belongs to You

Creation's calling now  
For the King to be revealed  
O King of Heaven come down  
Be glorified Be glorified Be glorified Be glorified
