

Hiding Place

New Life Worship

I found myself a hiding place
I found myself a secret space
In the shelter of Almighty's love
In the safety of the Saviour's arms

I will run to the hiding place
I will run to the hiding place
Draw me ever closer to look upon Your face
I will run to the hiding place

I found myself a hiding place
I found myself a secret space
In the refuge of the Father's care
In the cleansing blood of Jesus there

I will run to the hiding place
I will run to the hiding place
Draw me ever closer to look upon Your face
I will run to the hiding place

Though my fear may overwhelm me
And troubles, they surround
Though
The wind rise up to take me
My hiding place is already found

I found myself a hiding place
I found myself a secret space
In the shelter of Almighty's love
In the safety of the Saviour's arms

Oh, wanna lok upon Your face
I will run to the hiding place
