

## Fine Time

New Order

You're much too young  
To be a part of me  
Too young  
To get a hold on me

You're much too young  
You're much too young  
You're much too young  
To mess around with me

Hey  
You know I've met a lot of cool chicks  
But I've never met a girl with all her own teeth  
That's why I love you babe  
That's why we could be  
But you're too young  
Too young

The past doesn't matter (12x)

Hey  
Sophisticated lady  
You know I've met a lot of cool chicks  
But you've got style  
You've got class  
But most of all  
You've got love technique.
