

Open hearts
Empty spaces
Dusty roads
To distant places
But all the time
When I'm alone
I think of you
And how you've grown

Far and wide
Sweet and simple
Jehovah knows
That I've been sinful

But if Jesus comes to take your hand
I won't let go, I won't let go

I'm not cruel
And you're not evil
And we're not like
All those stupid people
Who can't decide
Which book to read
Unless the paper
Sows deceit

You're the kind of person
That I've always wanted to be with
We'll you're really cool
And you always say the right things to me
But now I'll tell you something
From my heart beats for you deep inside
But never be a burden
And my love for you will never die,
never die, never die, never die, never die

But if Jesus comes to take your hand
I won't let go, I won't let go

But if Jesus comes to take your hand
I won't let go, I won't let go

Good times around the corner
Good times around the corner
Good times around the corner
I swear it's getting warmer
Good times around the corner
Good times around the corner
Good times around the corner

I'm gonna live 'til I die
I'm gonna live to get high
