

Turn the Heater On

New Order

Gonna beat them all gonna beat them all
Gonna beat them all gonna beat them all
Tonight tonight
Hold me, squeeze me tonight tonight
For I feel so cold at night
With you by my side will be all I need

Tonight tonight tonight tonight
Hold me squeeze me tonight tonight
Tonight tonight
Gonna beat them all gonna beat them all
Gonna beat them all gonna beat them all
Tonight tonight
Hold me squeeze me tonight tonight
For I feel so cold at night
With you by my side will be all I need
Tonight tonight tonight tonight
Hold me squeeze me tonight tonight
Tonight tonight tonight tonight
Hold me squeeze me tonight tonight
Tonight tonight
