Oooohhhh let's burn this down
Let's burn this down let's burn it down
Oooohhhh let's burn it down
Just burn it down now burn it down

Your white lies show
They're dripping down your face
I don't give a damn
'Cause I'm your saving grace
And I can care less
If you pretend you don't hear me
I'll burn this place down
Before you can read me

Let's burn this piece of shit down
Oooohhhh let's burn this down
Let's burn this down let's burn it down
Oooohhhh let's burn it down
Just burn it down now burn it down

Concrete tastes so sweet
When the jungle grabs me by my feet
Venus is dry
Neptune's wet
Don't be shy
Don't you forget
Venus is dry
Neptune's wet
Give it a try
You won't regret, STOP!

Oooohhhh let's burn this down
Let's burn this down let's burn it down
Oooohhhh let's burn it down
Just burn it down now burn it down

Oooohhhh let's burn this down
Let's burn this down let's burn it down
Oooohhhh let's burn it down
Just burn it down now burn it down

Burn, burn, burn, burn!
