My love My love My love My love

My love it ain't you, it ain't you, It's just a phase I'm going through It ain't you, it ain't you Don't tell me you don't feel it

You, me, them were not at all the same We see things different Chain me down feed me your medicine I'm losing control

I feel tired the walls are closin' in I give in

My love it ain't you, it ain't you, It's just a phase I'm going through It ain't you, it ain't you Don't tell me you don't feel it

You me them we're all a bit insane Lost and deceived, hold my breath Promise you won't forget me if I secede

I feel tired the walls are closin' in I give in

My love it ain't you, it ain't you, It's just a phase I'm going through It ain't you, it ain't you

I can't break through this mess I can't see through this mess I can't go through this mess I can't live in this mess I am feeling so numb I could die

My love it ain't you, it ain't you, It's just a phase I'm going through

And now I see the things I did It broke me down ripped my heart I patch it back and watch it die Watch it die inside

My love it ain't you, it ain't you, Answers the phase I'm going through It ain't you, it ain't you Don't tell me you don't feel it too
