

Someday We'll Know

New Radicals

Ninety miles outside Chicago
Can't stop driving, I don't know why
A million questions, I need an answer
Two years later, you're still on my mind

Whatever happened to Amelia Arehart
Who holds the stars up in the sky
Is true love just once in a lifetime
Did the captain of the Titanic cry

Someday we'll know if love can move a mountain
Someday we'll know why the sky is blue
Someday we'll know why I wasn't meant for you

Does anybody know the way to Atlantis
Or what the wind says when she cries
I'm speeding by the place that I met you
For the ninety seventh time tonight

Someday we'll know if love can move a mountain
Someday we'll know why the sky is blue
Someday we'll know why I wasn't meant for you
Yeah, yeah, yeah, yeah

Someday we'll know why Samson loved Delilah
Someday I'll go dancing on the moon
Someday you'll know that I was the one for you

Oh, my love, oh.....

I bought a ticket to the end of the rainbow
I watched the stars crash in the sea
If I could ask God just one question
Why aren't you here with me

tonight

Someday we'll know if love can move a mountain
Someday we'll know why the sky is blue
Someday we'll know why I wasn't meant for you
Yeah, yeah, yeah, yeah
Someday we'll know why Samson loved Delilah
Someday I'll go dancing on the moon
Someday you'll know that I was the one for
you
