

## 'Cause I Sez So

New York Dolls

Go point your camera some other way  
Ain't gonna be in your movie today  
You got surveillance for reality  
Then you best not even look at me!  
Why, why, why? Cause I sez so.  
Why, why, why? Cause I sez so.  
Takin' pretty pictures everywhere I go  
Orwell in the bathroom watching me go  
I give the finger to the eye in the sky  
I ain't no model, I'm a regular guy!  
Why, why, why? Cause I sez so.  
Why, why, why? Cause I sez so.  
Even the bodega was makin' movies, yo!  
Everything I do is on the video  
Flew into JFK, was lousy with oink  
I hear they lock you up for smokin' a joint.  
Why, why, why? Cause I sez so.  
Why, why, why? Cause I sez so.  
I sez so  
I sez so  
I sez so  
Yeah I sez so  
Yeah!  
I say yeah  
Cause I sez so.
