

Funky But Chic

New York Dolls

Oh yeah!
Oh, funky, funky but chic
Oh, funky, funky but chic
Funky, funky but chic
You funky but, funky but
Alright, alright, alright
Got a pair of shoes, yeah, somebody gave me
Mama thinks I look pretty fruitful in jeans, I feel
rockin'
I don't wear nothing not too fussy or neat
I just want something to be able to walk down your
street
Hey, come on, baby, let's get on down to the boutique
Let's bring back something that's funky but chic, I say
Funky, funky but chic
Funky, funky but chic
I get down in any neighborhood
I swear that my friends will take me
The people that are out itch and ditch
I swear they gonna break me
Yeah, take me
I fly just to get downtown, I swear where everybody's
crazy
And when I fly on down, next street them girls stop
actin' lazy
And I said
I don't wear nothing not too fussy or neat
I just want someday to be able to fly down your street
Hey, dis-donc baby, où est le boutique?
Let's bring back something that's funky but chic, I say
Funky, funky but chic
Oh, funky, funky but chic
Oh, funky, funky but chic
You funky but, funky but
Alright, alright, alright

'round
