

# Human Being

New York Dolls

One, two, three, four  
Well, if you don't like it  
Go ahead, find yourself a saint  
Go ahead, now try to find a boy  
Who's gonna be what I ain't  
Now what you need is  
A plastic doll with a fresh coat of paint  
Who's gonna sit through the madness  
And always acts so quaint, I said, "Yeah, yeah, yeah"  
With your new friend  
You're really making a scene  
And I see you bouncing around  
From machine to machine  
And you know they're never real, they're  
Never what they seem  
And you can try to generate some warmth  
And you see just what I mean, I said, "Yeah, yeah, yeah"  
And if I'm acting like a king  
Well, that's cause I'm a human being  
And if I want too many things  
Don't you know that I'm a human being  
And if I've got to dream  
Baby baby baby yeah I'm a human being  
And when it gets a bit obscene  
I'm a human being  
And I've just got to go around with my head hung down  
Just like a human, babe, an unknown human being  
And I can hold my head so high  
'Cause I'm a human, a riff raff human being  
Why won't you give me a little sip?  
Why don't you try me on a drag of that cigarette?  
Why don't you try to give me something that  
I will never ever forget?  
But now don't you blow it all on a million dollar bet  
Because you're liable to lose it  
On the best lovin' you've had yet  
I'm beggin' yeah, yeah, oh yeah  
And if I'm acting like a king  
Well, that's 'cause I'm a human being  
I want too many things  
Don't you know that I'm a human being  
And if I've got to dream  
I said, "Well I'm a human being"  
And when it gets a bit obscene  
I'm a human being  
And I've got to go around with my head hung down  
Just like a human, babe an unknown human being  
And I can hold my head so high  
'Cause I'm a human, a riff raff human being  
In fact I'm talking about the human race  
You're trying to cover up the big disgrace  
I said, "Yeah, yeah, yeah"  
Oh, c'mon, c'mon, c'mon  
Yeah, yeah, oh yeah  
Well, I may think that this whole scene is  
Just a too appalling for me  
Or I may be the type who's just a mad about

Every little thing that I see  
But I can color that with mystery  
Or make it just what I want it to be  
While I'm blowing my change on the fan magazines  
With all the Hollywood refugees screaming, "Yeah, yeah, oh yeah"  
And if I'm acting like a king  
I said, "Well, I'm a human being"  
And if I want too many things  
Don't you know that I'm a human being  
If I've got to dream  
Baby, baby, baby, I'm a human being  
And when it gets a bit obscene  
I'm a human being  
I'm a human being  
I'm a human being  
I'm a human being  
I'm a human being
