

I Sold My Heart to the Junkman

New York Dolls

(I sold my heart to the junkman)
Whoa, yeah
(I sold my heart to the junkman)
Whoa, yeah
(Yes, I did, yes, I did, yes, I did)
And I'll never fall in love again
I give my heart to you
The woman I trusted
You brought it back to me
All broken and busted
(I sold my heart to the junkman)
I sold my heart to the junkman
(I sold my heart to the junkman)
And I'll never fall in love again
(Now I'll never fall in love again)
You took my heart because you
Thought you could use it
Just like a little toy
You battered and bruised it
(I sold my heart to the junkman)
I sold my heart to the junkman
(I sold my heart to the junkman)
And I'll never fall in love again
(Now I'll never fall in love again)
And like a little drama
In a simple matter
Love played a leading part
(Yes, he did, yes, he did)
We planned a happy ending
But now I'm left with a broken heart
I threw my pride aside and
Said we'll be friends, dear
Two jobs I cannot have
For this is the ending
(I sold my heart to the junkman)
I sold my heart to the junkman
(I sold my heart to the junkman)
And I'll never fall in love again
(Now I'll never fall in love again)
I sold my heart to the junkman, yeah
I sold my heart to the junkman, yeah
Yes, I did, yes, I did, yes, I did
I sold my heart to the junkman, yeah
I sold my heart to the junkman, yeah
I sold my heart to the junkman, yeah
