

# Born Again

Newsboys

I found myself looking into the mirror  
Knew I wasn't who I wanted to be  
I was living life the way that I wanted  
But my eyes reminded me I'm not free

Believed a lie so everything that I know  
Says I gotta go, tired of going solo  
But I'm never gonna go there again

This is what it is, this is who I am  
This is where I finally take my stand  
I didn't wanna fall but I don't have to crawl  
I met the one with two scarred hands

Giving Him the best of  
Everything that's left of  
The life inside this man  
I've been born again

I see ya walking like you're living in fear  
Having trouble even looking at me  
Wishing they would give you more than words  
Sick of people telling how it should be

What'd ya download? Where'd ya get your info?  
You saw that I'm sure, now you're in the in though  
Gonna tell you what I believe

This is what it is, this is who I am  
This is where I finally take my stand  
I didn't wanna fall but I don't have to crawl  
I met the one with two scarred hands

Giving Him the best of  
Everything that's left of  
The life inside this man  
I've been born again

We are the ones they call by name  
I'm never gonna look back  
Let go, let go, the guilt, the shame  
Said, I'm never gonna look back  
This is who I am

This is what it is, this is who I am  
This is where I finally take my stand  
I didn't wanna fall but I don't have to crawl  
I met the one with two scarred hands

Giving Him the best of  
Everything that's left of  
The life inside this man  
I've been born again

This is who I am  
I didn't wanna fall but I don't have to crawl  
I met the one with two scarred hands

Giving Him the best of  
Everything that's left of  
The life inside this man  
I've been born again  
I've been born again
