Entertaining Angels

One to another Do you remember me I feel so small Are you listening tonight

So temporary Things that I have seen I ran so far Will you take me back again

Entertaining angels By the light of my t.v. screen 24-7 you wait for me

Entertaining angels By the time I fall to my knees Host of heaven, sing over me

One to another The feelings in between I won't let go Of all you taught me - alright

Close as a brother The way we used to be I'll hold my breath And wait for you to breathe

Entertaining angels By the light of my t.v. screen 24-7 you wait for me

Entertaining angels While the night becomes history Host of heaven, sing over me
