

# Fall on You

Newsboys

Seen it all  
Heard the talk  
Heart unturned  
Watch you leaving

Some things have to fall on you  
Some things have to fall on you

I lift you up  
Pray for grace  
Love you more  
Still you run away  
And ...

What makes a man aware of his need  
Is it by faith, by words or by deed  
For your heart to be broken, to truly be sent home  
Some things have to fall on you

Spirit saves  
Letter kills  
Plant the seed  
I'll be waiting

Some things have to fall on you  
Spirit has to fall  
It's true
