

Glo-o-o-oh-ow, go glo-o-o-oh-ow

Are you sleepin'?  
The morning's already here  
Are you dreamin'?  
Can you hear Him in your ear  
Let the fire burn infectious  
You are His reflection  
Are you sleepin'?  
The morning's already here

He wakes up the stars  
Lights the moon  
Knows who you are  
He put the light in you  
He wakes up the stars  
Lights the moon  
Knows who you are  
He put the light in you

Go glo-o-o-oh-ow  
Go glo-o-o-oh-ow  
Go glo-o-o-oh-ow  
Go glow

They can see it  
Shinin' all over your face  
Oh, just believe it  
That's the power of His grace  
Let the fire burn infectious  
You are His reflection  
They can see it  
Shinin' all over your face

Let the old you fade away  
You ignite and light the day  
Let the old you fade, old you fade, old you fade away
