

She's been dazed and induced  
Wants a part-time God for her private use  
But she won't take a stand  
'Cause she might get tagged as a closet Jesus fan

Sign on, the time is drawing near  
This is surely a banner year  
To be a public witness

Sign on, the lines are drawn and clear  
There's no straddling fences here  
We're going public with this

He's displaced and unglued  
Scared that faith in God could be misconstrued  
But the cross makes him wish  
That this spine was more than a school of jellyfish

Sign on, the time is drawing near  
This is surely a banner year  
To be a public witness

Sign on, the lines are drawn and clear  
There's no straddling fences here  
We're going public with this
