

Great Is Your Faithfulness

Newsboys

If I rise on wings of dawn
Or drift in seas of doubt
Even there Your strong right hand
Has never failed to guide me out

Great is Your faithfulness
To carry on with a sinner like me
Great is Your faithfulness
Turning shame into victory
Your grace has never let me be
Your mercy's waited patiently
Oh, so great is Your faithfulness
To carry on with a sinner like me

If I hide in dark and shadows
Fearful of each day
Even there Your blinding light
Illuminates my pathway

Lord, Your Goodness
Goodness never
Never fails
It never fails me
