

# I Fought the La...

Newsboys

Mama always said keep it simple  
A killer hook and you're ready to move  
I still like a song with some lyrics to chew on  
But there are days when they just fight the grove

You can't stare down the inevitable-  
It's like the sun

I fought the la...  
...and the la won

La la la la la la la la, lala la la la la la  
La la la la la la la la la, la lala la la la  
..and the la won  
La la la la la la la la, lala la la la la la  
Lala la la la la la la la, la lala la la la

You can freestyle on the verse awhile  
The chorus comes, and it's still gotta pay  
You can free fall from any height at all  
But the ground won't get out of your way

We can't fight the inevitable  
It's gonna come

I fought the la...  
...and the la won

La la la la la la la la, lala la la la la la  
La la la la la la la la la, la lala la la la  
..and the la won  
La la la la la la la la, lala la la la la la  
Lala la la la la la la la, la lala la la la

La-ah-ah, la-ah-ah  
La-ah-ah, la-ah-ah  
La-ah-ah, la-ah-ah  
La-ah-ah, la-ah-ah

Sing it

La la la la la la la la, lala la la la la la  
La la la la la la la la la, la lala la la la  
..and the la won  
La la la la la la la la, lala la la la la la  
Lala la la la la la la la, la lala la la la  
and the la...

(Chorus x3)
