

# Kingdom Man

Newsboys

Step by step  
Day by day  
You have changed my world  
I am a Kingdom man

I heard the birds a singing  
Saw the flowers  
In the field  
Thy heart was all on fire  
With that moment I did yield  
I shout it from the rooftop  
Shout it from the hills  
I'm now a new creation  
I have found my way

Step by step  
Day by day  
You have changed my world  
I am a Kingdom man

Jesus lifted me out of the miry day  
He stood me on a rack  
And that's where I will stay  
Ma name is down in heaven  
No man can take it out  
The Word of God is true  
It casts out all the doubt
