

## More Than Enough

Newsboys

Child of promise sent from heaven  
Light from light shine down to us  
Oh to fill a hungry people  
Child of promise, child of God

You are faithful, You are savior  
You are more than enough  
You are healer, You are holy  
You are more than enough

Man of sorrows, heart of mercy  
Love raised high upon a cross  
Dead to lead us to redemption  
Man of sorrows, Son of God

Lord of life in glory risen  
Love has conquered both sin and grave  
Heaven's gates are truly open  
Lord of life, King of Kings

I'm alive in the arms of love  
I lift my hands to the God above
