

# On Your Knees

Newsboys

Lately, she's been thinking what her daddy said  
How when you're winning, you got more friends  
But are they your friends if you fall they're gone?  
Something about those kind of people seems wrong

Who's gonna be there when the phone call knocks her down?  
All of the steeples but she can't hear a bell sound  
Jumps on a bus to head downtown and picks up a paper  
That's been blowing around, it says

When your heart breaks, He'll hurt for you  
Dreams are out of reach, He'll pull you through  
When you lose hope all you gotta do is  
Get on your knees again

Not long now and you're gonna see  
No mountain's too high for you or for me  
Or fall too far if you can believe  
And get on your knees, on your knees again

She pulls up her paper and puts it in her bag  
Knows she really needs a savior like that  
Walking past her church just up the street  
Says, "Maybe it's time to get on my knees"

'Cause He was there when no one was around  
All of the people but no one made a sound  
Thinks of her brother who's been feeling down  
Pulls out the paper and reads it aloud

When your heart breaks, He'll hurt for you  
Dreams are out of reach, He'll pull you through  
When you lose hope all you gotta do is  
Get on your knees again

Not long now and you're gonna see  
No mountain's too high for you or for me  
Or fall too far if you can believe  
And get on your knees, on your knees again

Giving everything you've got  
Still it's hard to believe  
Love comes from the inside out  
If you wanna be free

Gotta give your life and never stop  
When you're thinking about giving up  
Get on your knees

When your heart breaks, He'll hurt for you  
Dreams are out of reach, He'll pull you through  
When you lose hope all you gotta do is  
Get on your knees again

Not long now and you're gonna see  
No mountain's too high for you or for me  
Or fall too far if you can believe

And get on your knees, on your knees again  
On your knees again, on your knees again

When you've giving everything you've got  
Gotta give your life and never stop  
If you wanna be free, on your knees again
