## **On Your Knees**

## **Newsboys**

Lately, she's been thinking what her daddy said How when you're winning, you got more friends But are they your friends if you fall they're gone? Something about those kind of people seems wrong

Who's gonna be there when the phone call knocks her down? All of the steeples but she can't hear a bell sound Jumps on a bus to head downtown and picks up a paper That's been blowing around, it says

When your heart breaks, He'll hurt for you Dreams are out of reach, He'll pull you through When you lose hope all you gotta do is Get on your knees again

Not long now and you're gonna see

No mountain's too high for you or for me

Or fall too far if you can believe

And get on your knees, on your knees again

She pulls up her paper and puts it in her bag Knows she really needs a savior like that Walking past her church just up the street Says, "Maybe it's time to get on my knees"

'Cause He was there when no one was around All of the people but no one made a sound Thinks of her brother who's been feeling down Pulls out the paper and reads it aloud

When your heart breaks, He'll hurt for you Dreams are out of reach, He'll pull you through When you lose hope all you gotta do is Get on your knees again

Not long now and you're gonna see No mountain's too high for you or for me Or fall too far if you can believe And get on your knees, on your knees again

Giving everything you've got Still it's hard to believe Love comes from the inside out If you wanna be free

Gotta give your life and never stop When you're thinking about giving up Get on your knees

When your heart breaks, He'll hurt for you Dreams are out of reach, He'll pull you through When you lose hope all you gotta do is Get on your knees again

Not long now and you're gonna see No mountain's too high for you or for me Or fall too far if you can believe And get on your knees, on your knees again On your knees again, on your knees again

When you've giving everything you've got Gotta give your life and never stop If you wanna be free, on your knees again
