

## Sea of Love

Newsboys

All these emotions I go through  
I am so in love with you  
True love has caught my heart  
Girl its more than a feeling

True love has come - Wo oh  
And swept me away  
The big sea of love  
We're together forever  
You have my heart  
You touch me each day  
You are daughter of Sarah

I never knew why God blessed me  
With a woman like you  
But now I know His hand's on me  
And He knew I needed you

True love has come - Wo oh  
And swept me away  
The big sea of love  
We're together forever  
You have my heart  
You touch me each day  
You are daughter of Sarah

I will always treasure you  
You are there when I need you  
It is love that will prevail  
And stand the test of time
