

Sea of Love

Newsboys

All these emotions I go through
I am so in love with you
True love has caught my heart
Girl its more than a feeling

True love has come - Wo oh
And swept me away
The big sea of love
We're together forever
You have my heart
You touch me each day
You are daughter of Sarah

I never knew why God blessed me
With a woman like you
But now I know His hand's on me
And He knew I needed you

True love has come - Wo oh
And swept me away
The big sea of love
We're together forever
You have my heart
You touch me each day
You are daughter of Sarah

I will always treasure you
You are there when I need you
It is love that will prevail
And stand the test of time
