

Sing Aloud

Newsboys

It's a funny thing getting a song from the Lord
You feel His power and the revelation flow
Then there are people who tell you it's not cool
To mention Jesus or lift up His name

Newsboys will sing aloud
Sing unto the King of kings
Newsboys will dance, dance, dance
Before the Lord

Don't matter what the magazines have said before
What they say carries no weight in heaven
There's only one God we aim to please
And that's our Saviour, the Lord Jesus Christ

Newsboys will sing aloud
Sing unto the King of kings
Newsboys will dance, dance, dance
Before the Lord

And so these people talk like there's nothing in His name
The unsaved will only turn away (that's what they say)
I know they can't be talking 'bout my Jesus
Because there's power, power in His name

Newsboys will sing aloud
Sing unto the King of kings
Newsboys will dance, dance, dance
Before the Lord
