Take My Hands (Praises)

Newsboys

Take my hands, take my feet
Take the music to the street
Hear the prayers, feel the sound
A generation Kingdom bound

Great and glorious
Is my Savior
Praises on my tongue
From my heart
For our God who became flesh
For us all
Unto You
I will sing Your praises
Sing forever

Take my will, take my all Wrap my life around Your call Set apart to sing Your praise To live the difference in these days

Oh, for a thousand tongues to sing To sing aloud, sing aloud Oh, for the glory of my God and King Oh, for a thousand tongues to sing
