## When the Tears Fall

Newsboys

I've had questions, without answers I've known sorrow, I have known pain but there's one thing, that I'll cling to You are faithful, Jesus You're true

when hope is lost, I'll call You Saviour when pain surrounds, I'll call You healer when silence falls, You'll be the song within my heart

in the lone hour of my sorrow through the darkest night of my soul You surround me and sustain me my defender, forevermore

when hope is lost, I'll call You Saviour when pain surrounds, I'll call You healer when silence falls, You'll be the song within my heart

and I will praise You, I will praise You when the tears fall, still I will sing to You and I will praise You, Jesus praise You through the suffering still I will sing

when hope is lost, I'll call You Saviour when pain surrounds, I'll call You healer when silence falls, You'll be the song within my heart

oh yes, You are good to me You've always been good to me so trustworthy

when hope is lost, I'll call You Saviour when pain surrounds, I'll call You healer when silence falls, You'll be the song within my heart

and I will praise You, and I will praise You when the tears fall, still I will sing to You (I will sing to You) I will praise You, Jesus praise You through the suffering still I will sing

how faithful and true sustain me through and through You are hope and truth You must bring a little water You must bring a little water

in the lone hour of my sorrow

who springs never fail
be faithful and true
like...
like a spring it never fails
you're my spring never fails
