

# Move

## NewSong

I'm a man in need of a miracle  
But all I have is hope  
God I need to see Your power fall  
Like it did in the days of old  
I know You're who You say You are  
Because You've proven that to me  
But this time seems impossible  
Won't You help my unbelief?

[Chorus]

I need to see You move  
I need to see Your hand  
I'm trying to live by faith  
I don't know if I can  
But I know You love change  
There's nothing you can't do  
I've done all that I can  
The rest is up to you  
I need to see you move (oh, woh..)

Like Moses in the wilderness  
Like Daniel when he prayed  
Like Simeon in the temple when  
He finally saw your face  
But Lord, like them, I'm just a man  
And I've got everything to lose  
So what You did for them  
Would You do for me?  
What I'm desperate for is You

[Chorus]

I need to see You move  
I need to see Your hand  
I'm trying to live by faith  
I don't know if I can  
But I know You love change  
There's nothing you can't do  
I've done all that I can  
The rest is up to you  
I need to see you move

[Bridge]

I'm finding out what it really means  
To trust You Lord with everything  
Oh to trust You...  
Really trust You...  
I need to see You move  
I need to see Your hand  
I'm trying to live by faith  
But I don't know if I can

[Lead-Out Chorus]

I need to see You move  
I need to see Your hand  
I'm trying to live by faith  
But I don't know if I can  
But I know You love change

There's nothing you can't do  
I've done all that I can  
The rest is up to you  
Oh I need to see you move (oh, woh..)  
Oh I need to see you move (oh, woh..)
