Bombs go off around me Bullets chase my head Demonscene hellscape Try to not get dead

From the cradle I was in Straight for the firing line By the teeth of my skin Dragon and the serpent versus swine

Never quite ready It just becomes your turn Evertight steady No more light to burn

A lie has no feet Cannot stand alone A cry in the street Who cast the first stone

With dirt between my teeth I made the devil sell his soul I know that he can bleed Moon goes dark sun grows cold

Where my mind would take me Never coming near Scared my heart would break me Why am I here Newsted
