

# Up Up and Away

Newton Faulkner

You, I gotta slow down  
I'm hitting the ground  
And I know it isn't right  
To scratch and fight another day

You are all that I want  
But you're not what I need  
And I know it's probably time  
To find another melody

(2x):

Come on, come on I gotta get away  
Save all the bullshit for another day  
G-get me a t-ticket and an alibi  
There's nothing holding me down so teach me how to fly

Here we go  
Up Up and Away  
Here we go  
Up Up and Away  
Here we go  
Up Up and Away. Away, away, away, ee-ee

You, get out of my way  
Get out of my face  
And I know it isn't right  
To hold so tight to yesterday

I go wherever I want  
Wherever I please  
I look forward to the day  
Where this is just a memory

(2x):

Come on, come on I gotta get away  
Save all the bullshit for another day  
G-get me a t-ticket and an alibi  
There's nothing holding me down so teach me how to fly

Here we go  
Up Up and Away  
Here we go  
Up Up and Away  
Here we go  
Up Up and Away. Away, away, away, ee-ee

(2x):

Come on, come on I gotta get away  
Save all the bullshit for another day  
G-get me a t-ticket and an alibi  
There's nothing holding me down so teach me how to fly

Here we go  
Up Up and Away  
Here we go  
Up Up and Away  
Here we go

Up Up and Away. Away, away, away, ee-ee
