Divine Mill, Next

I need a girl, someone I can just chill with  
I need a lady, someone I can be real with  
I need a woman that supports everything I'm doin'  
Girl if you're that lady, come on woman be my baby

I know this is our first date  
But the fact remains, you're a candidate to be  
More than just dinner and wine  
A girl I'd classify as just a friend of mine

Now I don't want you to feel uncomfortable  
We can take it slow 'cause we hardly  
Even know each other  
But you seem like a girl I could bring home to my mother

I need a girl, someone I can just chill with  
I need a lady, someone I can be real with  
I need a woman, that supports everything I'm doin'  
Girl if you're that lady, come on woman be my baby

To be with me is pressure for sure  
That's why she's gotta be secure  
In me, in her, in love, in us  
'Cause there's certain things that I won't discuss

Like where I've been, who I was with  
What I've been doin', that type of shhh  
'Cause to love me is to trust me  
If you want me, say something, 'cause I

I need a girl, someone I can just chill with  
I need a lady, someone I can be real with  
I need a woman, that supports everything I'm doin'  
Girl if you're that lady, come on woman be my baby

I need a girl, someone I can just chill with  
I need a lady, someone I can be real with  
I need a woman, that supports everything I'm doin'  
Girl if you're that lady, come on woman be my baby

See I really wanna please my girl  
'Cause I really, really need my girl  
I'd never, ever leave my girl  
So if you wanna be my girl, come on, come on

See I really wanna please my girl  
'Cause I really, really need my girl  
I'd never, ever leave my girl  
If your that lady, come on woman, be my baby

I need a girl, someone I can just chill with  
I need a lady, someone I can be real with  
I need a woman, that supports everything I'm doin'  
Girl if you're that lady, come on woman be my baby

I need a girl, please my girl  
'Cause I really, really need my girl  
I'd never, ever leave my girl  
So if you wanna be my girl, come on, come on

I need a girl, see I really wanna please my girl  
'Cause I really, really need my girl  
I'd never, ever leave my girl  
If your that lady, come on woman be my baby

I need a girl, so you really wanna be my girl?  
'Cause I really, really need my girl  
Are you down with N-E-X-T my girl?  
Down with R.L., T, Tweet my girl, yeah, yeah, yeah

I need a girl that's mine, oh mine  
So I can tap that spine, oh spine
