

# Let's Make A Movie

Next

- Baby, let me direct ya  
Be the co-star witcha boo  
Let's make a movie  
It's gonna be me and you  
I'm gonna be the camera crew  
We could do what you wanna do  
Let's make a movie

Dim the lights  
Camera, action  
Record your rewards of satisfactoin  
Let's make a movie  
Hey boy, whatchu waitin' for  
Go ahead baby, press record  
Each scene makes me want you more  
Let's make a movie

No acting, girl it's all pure action  
My star actress on the mattress  
My red light special  
Watch the light by the lense  
So when record is in that's when we begin, baby

Take one, take two, take three  
Zoomin' on what we're doin' when you're on top of me  
And lean my chin in, you just might win an emmy  
Mamma gimmie, and baby we can

You can be so corney  
Cuz girl you got me horney  
I'll be Tom Cruise, I'll keep it firm  
Superstar, supersperm  
No need for a supporting cast  
Props be chocolate grass  
And your sexy ass (Sexy ass)  
Quiet on the set  
(Don't say a word)  
We ain't even started yet  
Better get your ticket

Take four, take five, take six  
You wanted your big break  
Baby, this is it, oh

Take one, get me on the bed  
Take two, in the kitchen instead  
Take three, anyway you wanna be  
Baby, just say yes

Take four, get me on the floor  
Take five, up against the door  
Take six, real freaky shit  
I'm sure you'll like it

Take seven, back seat on my ride  
Take eight, on the grass outside  
Take nine, from behind

Take ten, turn on the lights  
Take eleven, on top of me  
Take twelve, you're tasting me  
Now that we're done, baby  
Let's watch us on TV

Let me produce ya babe  
Let me direct ya babe  
I wanna cast you  
And let me do your booking too

It's gonna be me and you  
I'm gonna be the camera crew
