

Seeing Blind

Niall Horan

I have seen
I've seen it all in paper dreams
I've watched it unfold on the screen
But I've never understood
Now, I have heard
I've heard you speak a million words
But now you're talking to me first
I never thought you would

Oh, my, my
You just took me by surprise
And I can't believe my eyes
Oh, I must be seeing blind
No, no, aye
You're too good to be all mine
Now I'm lookin' in your eyes
Oh, I must be seeing blind

When I was young
My heart was always on the run
But you made lovin' fun
I never knew it could be
Now I see you
From a different point of view
I feel it's too good to be true
I found my missing piece

Oh, my, my
You just took me by surprise
And I can't believe my eyes
Oh, I must be seeing blind
No, no, aye
You're too good to be all mine
Now I'm lookin' in your eyes
Oh, I must be seeing blind

Oh, my, my
When I look into your eyes
It's a sight I can't disguise
Oh, I must be seeing blind

Oh, my, my
You just took me by surprise
And I can't believe my eyes
Oh, I must be seeing blind
No, no, aye
You're too good to be all mine
Now I'm lookin' in your eyes
Oh, I must be seeing blind

Oh, no
I must be seeing blind
