

Since We're Alone

Niall Horan

Like the rain on a sunny day
There's a shadow behind your face
Tell me what you're running from
I don't know what made you so afraid
Don't you know you got the best of me?
Yeah, you're everything I want

Anyone can see
Anyone can see
You're hounded, hounded
You can talk to me
It's more risky indeed
But I'm trying, yeah

Since we're alone
Yeah, you can show me your heart
If you put it all in my hand
No sweat
No, I won't break it apart
Since we're alone
Show me all that you are
And if you get lost in the light
It's okay, I can see in the dark

All your thoughts running through your head
The things you think that are better left unsaid
Just wanna know where you came from
Why would you wanna please someone else
I love you best when you're just yourself
Yeah, you're everything I want

Anyone can see
Anyone can see
You're hounded, hounded
You can talk to me
It's more risky indeed
But I'm trying, yeah

Since we're alone
Yeah, you can show me your heart
If you put it all in my hand
No sweat
No, I won't break it apart
Since we're alone
Show me all that you are
And if you get lost in the light
It's okay, I can see in the dark

Since we're alone
Yeah, you can show me your heart
(Show me your heart)
If you put it all in my hand
No sweat
No, I won't break it apart
(Break it apart)
Since we're alone
Show me all that you are

(Show me all that you are)
And if you get lost in the light
It's okay, I can see in the dark
(I can see in the dark)

Since we're alone-lone-lone
Alone-lone-lone
You can show me your heart
Alone
