

Too Much to Ask

Niall Horan

Waiting here for someone
Only yesterday we were on our own
You smiled back at me
And your face lit up the sun
Now I'm waiting here for someone

And oh love
Do you feel this rough?
Why is it only you I'm thinking of?

My shadow is dancing
Without you for the first time
My heart is hoping
You'll walk right in tonight
And tell me there are things that you regret
'Cause if I'm being honest I ain't over you yet
That's all I'm asking
Is it too much to ask? Is it too much to ask?

Someone's movin' outside
The lights come on and down the drive
I forget you're not here when I close my eyes
Do you still think of me sometimes?

And oh love
Watch the sun coming up
Don't it feel fucked up we're not in love?

My shadow is dancing
Without you for the first time
My heart is hoping
You'll walk right in tonight
And tell me there are things that you regret
'Cause if I'm being honest I ain't over you yet
That's all I'm asking
Is it too much to ask?

My shadow is dancing
Without you for the first time
My heart is hoping
You'll walk right in tonight
And tell me there are things that you regret
'Cause if I'm being honest I ain't over you yet

My shadow is dancing
Without you for the first time
My heart is hoping
You'll walk right in tonight
And tell me there are things that you regret
'Cause if I'm being honest I ain't over you yet
That's all I'm asking
Is it too much to ask?

That's all I'm asking
Is it too much to ask?
That's all I'm asking
Is it too much to ask?
