

Ooh Child

Nice & Smooth

("Ohhhhh, Teddy Ted!")

Teddy Ted, that's what I said
He and Special K are like Barney and Fred
(Greg Nice) Smooth Bee is MC's
We grow from roots to trees and then leaves
When he's strollin, high-rollin
All the girlies on the block he's controllin
He's Teddy Ted baby, livin care free
You don't scare him, so don't fear him
We're all equal, so be peaceful
AND TO THIS RAP THERE'S A SEQUEL

("Ohhhhh, Teddy Ted!") ("You are an expert")

Teddy Ted, a pimp with a gangster limp
Class he's flowin like sand through the hourglass
He does work, he loves to flirt
("Ohhhhh..") ("You are an expert")

("slice'n'dice") ("expert")
("Ooooh child") ("expert")
("slice'n'dice, he.. he..")
("Ooooh child") ("he, he, he loves to fade")
("sip iced tea, and lay in the shade")
("Ooooh child") ("you gaze..") ("You are an expert")
("You gaze.. you gaze.. you gaze..")
("You gaze be dazed as he will amaze!")
("Ooooh child")
[Richard Pryor] ("Be home by eleven!")
