

# Small Enough

Nichole Nordeman

Oh, great God  
Be small enough to hear me now

There were times when I was crying  
From the dark of Daniel's den  
And I had asked you once or twice  
If you would part the sea again

Tonight I do not need a  
Fiery pillar in the sky  
Just want to know you're gonna  
Hold me if I start to cry

Oh, great God  
Be small enough to hear me now  
Oh, great God  
Be close enough to feel me now  
(Oh great God be close to me)

There have been moments when I could not face  
Goliath on my own  
And how could I forget we marched  
Around our share of Jericho's

But I will not be setting out  
The fleece for you tonight  
Just wanna know if everything will be alright  
Oh, great God be close enough to feel me now

Oh, praise and all the honor be  
To the God of ancient mysteries  
Whose every sign and wonder  
Turn the pages of our history

But tonight my heart is heavy  
And I cannot keep from whispering, whispering  
Are you there?

And I know you could leave writing  
On the wall that's just for me  
Or send wisdom while I'm sleeping  
Like in Solomon's sweet dreams

I don't need the strength of Sampson  
Or a chariot in the end  
Just wanna know you still know how many  
Hairs are on my head

Oh, great God  
(Are you small enough)  
Be small enough to hear  
Me now
