

# Falling Down

Nick Carter

It's so cold  
In this room  
And I'm trapped inside your heart  
All by myself (yeah)  
All alone  
In your sea  
And I'm sinking like a ship  
I'm going down (going down)  
I don't wanna live my life without you  
The hardest thing I ever do  
Is try to pick myself up off the ground

Trying to outrun all the memories  
But I keep falling down  
I keep falling down  
And it's like you still got a hold on me  
Cause I keep falling down  
I keep falling down

I can't sleep, I can't dream  
Cause you're scent's still here  
On the pillows in my bed (you're in my bed)  
And this pain's so insane  
I'm still haunted by the stupid things I've said  
All the things I said  
I don't wanna live my life without you  
The hardest thing I ever do  
Is try to pick myself up off the ground

Trying to outrun all the memories  
But I keep falling down  
I keep falling down  
And it's like you still got a hold on me  
Cause I keep falling down  
I keep falling down

And how do I let go  
I know I should move on  
But without you I don't know where I belong  
And everywhere I go  
Every happy face I see  
It reminds me of the way it used to be  
Oh, oh, oh

Trying to outrun all the memories  
But I keep falling down  
I keep falling down  
And it's like you still got a hold on me  
Cause I keep falling down  
I keep falling down

Oh, oh, oh  
I keep falling down

Oh, oh, oh  
I keep falling down

Oh, oh, oh  
I keep falling down

Oh, oh, oh  
I keep falling down
