

Falling in Love Again

Nick Carter

Here I go oh oh can't get you outta my head
Blowin' up the phone, just to hear you breathing
You runaway, runaway, but that's ok
Girl we can play make believe in this fantasy
I'll be the king that you need treat you like a queen
You'll be my everything

But I won't stop until you're mine
So just let go and hold on tight
Cause I'm falling in love again
I'm falling in love again, I'm falling in love again
Baby don't stop baby cause I'm falling in love again

Oh Oh now I know it's really happening
Staring at her face wonderin' what she's dreamin'
I stay awake, stay awake all night
Cause I'm affraid she won't be there in the daylight
I'm so amazed but I gotta play the cards right
Don't wanna make the wrong move

But I won't stop until you're mine...

I'm falling falling ohhh I'm falling girl (4x)

I've been waiting all my life for this moment
And now I know exactly what to do
I don't wanna live my life without you baby
Just tell me girl you feel the same way too

Cause I won't stop until you're mine
Cause I'm falling in love again (I'm falling in love)
I'm falling in love again (I'm falling in love)
I'm falling in love again (I'm so lonely, I'm so lonely)
Baby don't stop baby cause I'm falling in love again
(If I don't have you girl)

Cause I'm falling in love again (If I don't have you)
I'm falling in love again (I don't know what to do)
I'm falling in love again (Same girl yeah yeah)
Baby don't stop baby cause I'm falling in love again
