

Help Me

Nick Carter

I wish I could define
All the thoughts that crossed my mind
They seem too big for me to choose
I don't know which ones to use
When I'm falling down so far
I think I'll never see your light
Bouncing off of me
Shining down here from your eyes

Help me
Figure out the difference
Between right and wrong
Weak and strong
Day and night
Where I belong and
Help me
Make the right decisions
Know which way to turn
Lessons to learn
And just what my purpose is here

It's like I got the signals crossed
With messages I can't decode
Half asleep, never wide awake
And I'm in complete overload
I got so much information here
And nothing I can really grasp
I should know the truth
But I'm too afraid so I have to ask

Help me
Figure out the difference
Between right and wrong
Weak and strong
Day and night
Where I belong and
Help me
Make the right decisions
Know which way to turn
Lessons to learn
And just what my purpose is here

Wanna love you
More than anything
I need you
In my every dream, you're there for me
Do you love me?
Oh, I am no angel
Just an ordinary man

Help me figure out why I'm stuck in the middle
Trying to understand why I can't
Why you're such a riddle
Got my eyes crossed
I'm thinking so hard and I know I'm missing the mark
Can you help me sort out
All this information

I'm just rackin' my brain, baby
Paying attention
But I'm still lost
And at all costs
I gotta know (gotta know, oh)

Help me
Figure out the difference
Between right and wrong
Weak and strong
Day and night
Where I belong and
Help me
Make the right decisions
Know which way to turn
Lessons to learn
And just what my purpose is here

Help me figure out why I'm stuck in the middle
Trying to understand why I can't
Why you're such a riddle
Got my eyes crossed
I'm thinking so hard and I know I'm missing the mark
Can you help me sort out
All this information
I'm just rackin' my brain, baby
Paying attention
But I'm still lost
And at all costs
I gotta know
