

# I Just Wanna Take You Home

Nick Carter

Girl, I don't know what to say  
I feel so insecure  
So I start off by saying a cliché  
Like I've seen you before, yeah  
But why play games  
And all these dates  
Who needs flowers?  
When all you wanna I say is

I just wanna take you home  
We can make a story of our own  
Please don't get me wrong  
I just wanna

Don't you hate it when you sweat  
And your legs are going numb  
Then you get that feeling of regret  
And it makes you wanna run, oh yeah  
But there I am  
Playing nice  
Meeting your parents  
When all I wanna say is

I just wanna take you home  
(Don't you want to)  
We can make a story of our own  
(Yeah, just me and you)  
Please don't get me wrong  
So please don't get me wrong  
I just wanna

Tell me don't you feel the same  
Someone please explain  
Why we have to play games  
Instead of just saying...yeah!

All I wanna say is  
I just wanna go

I just wanna take you home  
(Don't you want to)  
We can make a story of our own  
(Yeah, just me and you)  
Please don't get me wrong, don't you get me wrong  
I just wanna take you home, I wanna take you home  
We can make a story of our own, oh yeah  
Please don't get me wrong  
Please don't get me wrong  
Please don't get me wrong  
I just wanna take you home  
So please don't get me wrong  
I just wanna
