

I'm Gonna Kill That Woman

Nick Cave & The Bad Seeds

Yeah, my baby left me this morning
And I don't care now, I don't care what the people say

Yeah, I did everything that I could, everything I could,
Lord knows I did everything I could
I tried to satisfy her worried mind, that's what I did

You know she was nothing but trouble, trouble
She keep me worried all the time
God knows her movements are killing me

Yeah, my baby stayed out all night long, all night long
She keep me worried all the time

Yeah, I lay down last night I was thinking
Must I kill that woman? Must I kill that woman?
Oh Lord I get down on my knees
They tell me God forgivin' everything you do
But I don't care what the people say
I'm gonna kill that woman,
I'm gonna kill that woman, God knows
I'm gonna get down on my knees
