

# Night of the Lotus Eaters

Nick Cave & The Bad Seeds

Sapped and stupid I lie upon the stones and I swoons  
The darlig little dandelions have done their thing and changed  
from suns into moons  
The dragons roam the shopping malls, I hear they're gonna eat o  
ur guts  
If I had the strength I might pick up my sword and make some at  
tempt to resist

Get ready to shield yourself  
Grab your sap and your heaters  
Get ready to shield yourself  
On the night of the lotus eaters

Mmm, don't you love my baby  
Mmm, and don't you love my baby anymore

They gilded my scales, they fish-  
bowled me and they toured me round the old aquariums  
They come in their hordes to tap at the glass, the philistines  
and barbarians  
I like floating here, it's nice, they've hung seaweed around my  
hips  
And I do the hula for the hungry ones and the lames all throw m  
e tips

Get ready to shield yourself  
Grab your sap and your heaters  
Get ready to shield yourself  
On the night of the lotus eaters

Mmm, don't you love my baby  
Mmm, and don't you love my baby anymore

Get ready to shield yourself  
From our catastrophic leaders  
Get ready to shield yourself  
Grab your sap and your heaters

On the night of the lotus eaters

Now hit the streets!
