

# O Children

Nick Cave & The Bad Seeds

1. Pass me that lovely little gun  
My dear, my darling one  
The cleaners are coming, one by one  
You don't even want to let them start

2. They are knocking now upon your door  
They measure the room, they know the score  
They're mopping up the butcher's floor  
Of your broken little hearts

R1: Oooo-oooo-oooo-oooo children

3. Forgive us now for what we've done  
It started out as a bit of fun  
Here, take these before we run away  
The keys to the gulag

R2: Oooo children  
Lift up your voice, lift up your voice  
Rejoice, rejoice

4. Here comes Frank and poor old Jim  
They're gathering round with all my friends  
We're older now, the light is dim  
And you are only just beginning

R1: Oooo...

5. We have the answer to all your fears  
It's short, it's simple, it's crystal clear  
It's round about, it's somewhere here  
Lost amongst our winnings

R2: Oooo children...

6. The cleaners have done their job on you  
They're hip to it, man, they're in the groove  
They've hosed you down, you're good as new  
They're lining up to inspect you

R1: Oooo...

7. Poor old Jim's white as a ghost  
He's found the answer that was lost  
We're all weeping now, weeping because  
There ain't nothing we can do to protect you

R2: Oooo children...

8. Hey little train! We are all jumping on  
The train that goes to the Kingdom  
We're happy, Ma, we're having fun  
And the train ain't even left the station

9. Hey little train! Wait for me!  
I once was blind but now I see  
Have you left a seat for me?

Is that such a stretch of the imagination?

10. Hey little train! Wait for me!  
I was held in chains but now I'm free  
I'm hanging in there, don't you see  
In this process of elimination
11. Hey little train! We are all jumping on  
The train that goes to the Kingdom  
We're happy, Ma, we're having fun  
It's beyond my wildest expectation
12. Hey little train! We are all jumping on  
The train that goes to the Kingdom  
We're happy, Ma, we're having fun  
And the train ain't even left the station(Fade Out)
